

# Activity 1: Key words

## Worksheet

YOUR DATA MATTERS

### 1. Can you match these words with their definitions?

- |                    |  |
|--------------------|--|
| Privacy settings ● | ● A digital message from an app or website to a user     |
| Location tracker ● | ● Explains what the app or website does with your data   |
| Notifications ●    | ● Who can contact you or see your profile                |
| Personal data ●    | ● Technology that pinpoints your location                |
| Privacy policy ●   | ● The rules that protect children's personal data online |
| Children's code ●  | ● Information about who you are or what you do           |

### 2. This is Raya's phone. She is 11 years old. Can you colour in the app settings so that they meet the Children's code?

Raya

A green-outlined rectangle representing a smartphone screen. Inside, there are three sections of settings, each with a title and two checkboxes. The first section is 'Profiling' with 'On' and 'Off' options. The second is 'Privacy settings' with 'Low' and 'High' options. The third is 'Location tracker' with 'On' and 'Off' options. A small circle at the bottom represents the home button.

**Profiling**

☐ On ☐ Off

**Privacy settings**

☐ Low ☐ High

**Location tracker**

☐ On ☐ Off
